**HECTOR ROOTS LEWIS JOINS REGGAE BAND TRIBAL SEEDS AS
LEAD VOCALIST FOR SUMMER TOUR**

TRIBAL SEEDS
FEATURING **HECTOR ROOTS LEWIS**

Friday 20th May 2022 – San Diego, California

Hector Roots Lewis is thrilled to announce that he will join the award-winning Reggae Band, [Tribal Seeds](#), as their Lead Vocalist for their 2022 Summer Tour throughout the United States. This announcement follows an update from the band's Lead Singer, [Steven Jacobo](#), who announced that he has taken a hiatus from live performances. "The band will continue to perform live without me and I will continue to write and record songs for Tribal Seeds" he penned. "I want to thank the talented and crucial

vocalist, [@hectorrootslewis](#) for stepping up and filling in as the lead vocalist in my absence, also my brother Tony-Ray and the band for pushing forward.”

Sharing the news with his fans and supporters on social media, Hector humbly thanked the West Coast-based Tribal Seeds team for the warm welcome. “(It is) always an honour and a joy to learn and grow with a family of passionate musicians and be a part of this movement to spread love through Reggae Music with the world. UPFUL vibes!” he shared. In a video reasoning with longstanding band member [Tony Ray Jacobo](#) shared on social media, Lewis – who has also notoriously performed with [Chronixx](#) & Zincfence Redemption for almost a decade - expressed his sincere gratitude for the opportunity to tour with the beloved band, saying, “I hope that the Tribal Seeds fans will welcome me (...) I aim to come to do this with the greatest honour and the greatest justice to vibe with you guys, to love up with you guys in music.”

The Jamaican-born multihyphenate, who is known for his smooth vocals, powerful command of percussions and energetic stage presence has enjoyed a bumper year as a solo artist – most recently with the release of his second single, “Let’s Groove”, from his soon-to-be released EP. Hector will make his debut as Lead Vocalist with Tribal Seeds at the highly-anticipated Cali Roots Festival on Saturday 28th May 2022. The **Let’s Get Kraken 2022 Tour** features *Dirty Heads*, *Grammy-award winning band Soja*, *Tribal Seeds*, *Artikal Sound System* and *The Elovaters* from June through August.
